

Didsbury Blood Orange & Ginger Gin

A more adventurous combination. Our citrus-fronted flavours are enhanced further with the addition of Blood Orange. As the initial citrus kick subsides, fresh ginger provides a divergent warmth. Blood...

Tasting Note

A more adventurous combination. Our citrus-fronted flavours are enhanced further with the addition of Blood Orange. As the initial citrus kick subsides, fresh ginger provides a divergent warmth. Blood Oranges foreground a citrus palette while the warmth and fragrance of fresh ginger to provide a hint of heat and suggestion of sweetness.
