

Briottet Crème de Framboise

These bright red berries have a sweet but sharp taste, remarkably restored by Briottet's maceration manufacturing process. Creme de Framboise is served pure as a digestif or mixed with white...

Tasting Note

These bright red berries have a sweet but sharp taste, remarkably restored by Briottet's maceration manufacturing process. Creme de Framboise is served pure as a digestif or mixed with white wines, cremants and champagnes as an aperitif or cocktail, or can be used to pour over desserts.
