

Lockdown Liquor Old Fashioned

Lockdown Liquor's Old Fashioned starts by using Buffalo Trace Bourbon, the rule being that if you wouldn't sip it by itself it has no place at the helm of an Old Fashioned. The right amount of...

Tasting Note

Lockdown Liquor's Old Fashioned starts by using Buffalo Trace Bourbon, the rule being that if you wouldn't sip it by itself it has no place at the helm of an Old Fashioned. The right amount of simple syrup and bitters are blended to create the perfect combination of sweet and bitter, honouring the classic 'original' cocktail that it is.
