

Fentimans Pink Grapefruit Tonic Water

Distinguished by its attractive pink colour. A delicate citrus scent, which is complemented by a warming hint of orange. The sweet and juicy flavour of pink grapefruit is perfectly rounded by the...

Tasting Note

Distinguished by its attractive pink colour. A delicate citrus scent, which is complemented by a warming hint of orange. The sweet and juicy flavour of pink grapefruit is perfectly rounded by the subtle addition of quinine. The finish is refreshingly dry, clean and balanced. Mix with a classic London Dry gin and garnish with a slice of Pink Grapefruit.
