

# Black Cow Vodka & English Strawberries

A naturally flavoured vodka, using misshapen, left over English Strawberries that would usually go to waste. The Strawberries are pressed and infused with the Black Cow Vodka creating a rich and fresh...

## Tasting Note

A naturally flavoured vodka, using misshapen, left over English Strawberries that would usually go to waste. The Strawberries are pressed and infused with the Black Cow Vodka creating a rich and fresh strawberry flavour, strawberries and cream on the nose and a beautiful strawberry blush colour.
