

The climate lends a nice freshness to the pinot noir based reds grown here and highlights their fruitiness. This wine's hue is characterized by an average intensity. The bouquet is replete with aromas so unmistakably Pinot. The tannin content provides for a solid structure and good ageing capacity.

Tasting Note

The climate lends a nice freshness to the pinot noir based reds grown here and highlights their fruitiness. This wine's hue is characterized by an average intensity. The bouquet is replete with aromas so unmistakably Pinot. The tannin content provides for a solid structure and good ageing capacity.
