

## Journey's End V2 Merlot

Journey's End is right at the heart of Stellenbosch, with one of the cape's most exciting terroirs. The philosophy in both the vineyards and cellar follows a minimum intervention approach.

### Tasting Note

Upfront pronounced fruit, with some minty undertones on the nose. Fruit cake and herbal eucalyptus notes give the wine an earthy character. Gentle, ripe fruit on the palate, with firm tannins and a supple sweetness that gives the wine a lingering aftertaste; it is full-bodied and complex.
