

Made in a clay concrete ovoid tank -a giant "egg" as the name suggests. The idea to shape the concrete as an egg was designed by Michel Chapoutier mirroring the old Roman amphorae. Rich and full-bodied with dark fruit, blackberry and black cherry, along with hints of spice, dark chocolate and tobacco. The finish long and satisfying,

### Tasting Note

Made in a clay concrete ovoid tank -a giant "egg" as the name suggests. The idea to shape the concrete as an egg was designed by Michel Chapoutier mirroring the old Roman amphorae. Rich and full-bodied with dark fruit, blackberry and black cherry, along with hints of spice, dark chocolate and tobacco. The finish long and satisfying,
